April 27, 2020

Dear Parents,

Our staff hopes this letter finds all of our Wildcat Families safe and healthy. Even though we are not in school we are starting to prepare for classroom placements for the 2020-2021 school year. This year we will be doing things a bit differently. Due to our untimely closure on March 13 I have decided to keep all of our classes together and move them up to the next grade together for the 2020-2021 school year. We will still be giving parents the opportunity to complete the feedback form as in past years, but it could result in being separated from the original class.

At Buckland Mills Elementary we do not allow parents to request specific teachers, but we do want to consider your feedback. Even though you may prefer your child be placed in a favored teacher’s classroom, we believe that EVERY teacher in our building provides a unique opportunity for learning and continued growth.

The feedback form that is attached and this is your opportunity to share your parent perspective. You are not required to submit additional information, but some parents look forward to this opportunity. Our team is committed to considering the best placement for every child.

Please kindly email your feedback form to Mrs. Holt at holtam@pwcs.edu no later than Friday, May 8, 2020. It continues to be my distinct pleasure working with your family to support your child’s learning at Buckland Mills Elementary. We look forward to being together again as school community.

Sincerely,

Principal Stroud
