

Student Council Association
Application for Officers (Revised)

Name: _____

Teacher: _____

Please check which office you would like to run for:

_____ President

_____ Vice President

_____ Reporter

_____ Secretary

SCA meetings will be from 12:00pm-12:30pm in the computer lab once a month. The first meeting will be announced.

Candidates wishing to run for a position must:

1. Turn in this form, stating which position that they are running for and have the two required signatures.
2. Write a short essay explaining the qualities needed to be successful at this position and why they would be a strong candidate. This essay will not be used to elect members.

As part of the SCA election process, each candidate running will be allowed to make 1 poster that should be hung in the 5th grade level hallway during election week. It should include some information about the candidate so that grade level peers can learn more about each candidate before voting. (There should be no candy on posters. In addition, lights or any other battery-powered devices should NOT be attached. Nothing may be handed out to classmates as part of the election process.)

Each 5th grade student will be asked to vote on Voting Day. Unfortunately, anyone that is absent on that day will not be able to vote. Positions will be awarded to the highest voted candidates.

Timeline of Events:

- September 6 - All signed applications are due to Mrs. Warnell. (No late applications accepted)
- September 12- 1 poster may be displayed by each candidate in grade level hallway
- September 19 - Voting Day
- September 20 - Results of election will be announced

Students and parents please sign below to show that you have read and understand the requirements to run for a position.
