<p>Reading/ Writing 60 min. review instruction We have read a variety of alphabet books this year. Listen to the alphabet book below about the ocean. Notice how the author thinks of things that live in the ocean and start with each individual letter. https://www.youtube.com/watch?v=8CM3PcRQ8NI</p> <p>Written Response Use the attached PDF to write your own book about Kindergarten at Buckland Mills. Think about school words and things that happened this year that start with the letters of the alphabet. The sentence stem B is for _____ is already written for you. You can stretch and spell one word or write a sentence to fill in the blank. Here is an example – B is for Buckland Mills or B is for best friend or B is for best day ever or you can</p>	<p>Math 60 min. review instruction Calendar Math Use the attached calendars for June, July, and August. Have you noticed any rabbits outside? They are active in the early evening when they come out to eat and play.</p> <p>Watch the read aloud of "Life Cycles: Rabbits": https://www.youtube.com/watch?v=5Pq6AjnstMk&list=PLleG1XxlC7FVmZVXbEXqJw8xq-NRBASTV&index=3</p> <p>Then watch the time lapse video of rabbits from the day they are born until they are considered adult rabbits at about 4 months old: https://www.youtube.com/watch?v=7X84ZPbRh1k</p> <p>The life cycle of a mammal is very different from the</p>	<p>Social Studies 60 min. review instruction Summer break is starting soon and it is a time to have lots of fun! There are some rules you need to follow in order to stay safe during this fun time. Go to Schloastic's "Lets Find Out" and read the issue called "High Five for Summer Safety" https://letsfindout.scholastic.com/issues/2019-20/050120.html (password: wildcats102). Listen and read the issue then watch the video on summer safety. Tell a parent the five rules to summer safety. Make a poster (it can be a normal piece of paper) showing one of the rules. Be sure you write the rule on the poster. Share your poster with your family and explain why the rule is important.</p> <p>*Additional Supports* If not strong in drawing,</p>	<p>Fun Summer Treat Make Ice-Cream Watch a video on how to make ice cream at home with your family. https://www.youtube.com/watch?v=N-em4q_sRM0</p>

Can you draw a sequence of four pictures to show how a rabbit grows and changes? Use the vocabulary words: newborn, kit, young rabbit, and adult rabbit to label your pictures.</p> <p>What did you think was the most interesting fact about how a rabbit grows? Write a sentence to share what you have learned.</p> <p>Extension: We are mammals too. You can ask your parents to help you find pictures to see how you have grown and changed since you were a newborn. How are you the same? What is different now that you are almost in first grade? What do you think you will look like when you are an adult? Draw a picture and write about it. You might want to save this to look at when you are all grown up 😊</p>	<p>search online for pictures, magazine, books, etc. Allow more time for written activities and projects and give the directions multiple times or one at a time as needed.
