2026 - 2027 School Year

Dear Parents/ Guardians,

The 5th grade team is excited to meet our upcoming 5th graders! We are rejuvenated after having an amazing summer and are ready to begin the 2026-2027 school year. Schools and families are strongest when they work together as partners in a child's education. By communicating, supporting, and encouraging students together, we help create a successful and positive learning experience for every child. To ensure your child has everything the need for the upcoming school year, the supply list for the 2026-2027 school will be as follows:

- 4 highlighters
- 1" binder
- 4 plastic folder with pockets, different colors please (red, blue, green, yellow)
- 10 glue sticks
- 1 composition book
- 3 - 1 subject notebooks (red, blue, green)
Each notebook should be wide ruled and contain 100 sheets of paper.
- 1 pencil case
- 4 dozen #2 pencils, sharpened, no mechanical pencils please
- 1 pack crayons or colored pencils
- 1 adult size scissors
- 1 package dry erase markers
- Girls - box of ziploc quart size baggies, boys - box of gallon size baggies

Please note that we specify the colors for folders and notebooks because our subjects are organized according to color. Please bring your child's supplies to our "meet the teacher" event.

We are excited to get started and looking forward to seeing you soon!
